## President's Report

The local economy, being what it is, has necessitated your board taking some cost cutting measures to ensure the viability of the club. By mutual agreement, our general manager's contract has not been renewed. We wish Colin every aspect of good luck and thank him for his work during somewhat difficult circumstances. For the immediate future, our department heads have volunteered to "team work" the day to day running of the club. Please be kind enough to have some patience with this new format and understand some start up problems with this arrangement. Should you have any concerns, please relay these to the board member responsible for that area of operation.

Designating Murray Kutyn as Head of Golf and Curling facilities and the departure of Steve Kerbrat will further streamline the club staff. As an aside, I would like to congratulate Murray and his people for the outstanding job they did in putting in the ice for the Safeway Select playdowns at the Multiplex. Thank you for making us look good throughout the province and Canada.

We are presently negotiating a first contract with the union but are not yet aware of what the costs might be. Assuredly, there will be some fiscal concerns surrounding these negotiations but the bargaining committee will do their best to minimize the impact on our club.

Our terrific new driving range will be up and running as soon as weather permits. Hopefully the payback on this large capital investment will begin to come in this year. There will be no new greens construction this year other than the addition of one new practice green at the range and then the replacement of the practice green in front of the Pro Shop. We will be busy "sprucing up" our course for the year 2000 when we are hosting the BC amateur.

Curling has done well this year thanks to the tireless efforts of John Thompson, our curling co-ordinator.

Laurie Pierce is ready and raring to go as the snow regresses and the golf course opens. You will note a slight reduction in our green fees in an effort to attract more non-member players. Dino is working diligently in the Food and Beverage Department to ensure the finest quality and the best service we can muster.

All in all we are optimistic about our future while being careful to "belt-tighten" and to look for more revenue generating opportunities during these difficult times.

Please continue to give as much support to your club as possible. Your active participation and useful suggestions are always appreciated.

**Dr. Greg Ames**  
President

## Hidden Number

The winning number for the month of February was not claimed. If you find your membership number hidden in the Georgian, please phone the office at 563-0357.

## Management Report

We would like to thank everyone for their patience and cooperation as we make the transformation from a General Manager operating structure to a "Team Management" structure. With this new team management structure there might be a little bit of confusion with which manager is responsible for what. The following is the new management team and their responsibilities:

Finance & Membership:	Andrew Adams
Food & Beverage Service:	Dino Philopoulos
Facility Superintendent/	
Curling Customer Relations:	Murray Kutyn
Golf Pro/Golf Customer Relations:	Laurie Pierce

If you have any questions or concerns about the structure, please feel free to discuss it with one of us.

The management team realizes that there is a lot of work to be done in order to bring the Prince George Golf & Curling Club back to where it was and take it to a level that fully utilizes its potential.

We are in the process of winding down with curling and getting ready with Golf. Remember that Annual Golf Dues must be paid in full by March 31, 1999 and February's balance on your account must be paid in full if golf dues are paid with visa, cheques or cash at the time of registration or account paid in full by March 31st if your dues are put on ylor account.

We would like to thank you again for your patience and cooperation while we work as a team to reach our goals.

**Andrew Adams**  
Office Manager

**Bud Burbee** - Vice President/Golf Director

**Ron Magrath** - Past President/Greens Director  
**Ron Phillips** - Curling Director  
**John Row** - Facilities Director  
**Vonda Hofferd** - House & Social Director

## From the Curling Coordinator

For the 1998/99 curling season, we have had over 30 bonspiel booked with more coming in every day. We hosted the Senior Ladies Provincial Playdowns Dec 7th to 12th and thanks to Pat Black and Vonda Hofferd and their committee, it was a tremendous success.

The Safeway Select, which is the BC Men's Curling Championship was held February 11th to 14th, 1999 at the Multiplex with Bert Gretzinger, Bob Ursel, Mark Whittle and Dave Mellof winning to represent BC at the Labatt Brier in Edmonton March 6th to 14th.

It was a great week. Jim Horswell and his crew of 140 volunteers represented our Club and our city with pride and commitment, very professional.

Murray Kutyn and his ice crew worked seven days with three or four hours of sleep a night to put in ice that was as good or better than most Curling Clubs. Most of the curlers shook the ice makers hands and patted them on the back for a job well done, as we should do every time we see them at our Club.

The Scott Tournament of Hearts to be held Feb 19th to 27th, 2000 will be held in the Multiplex arena. Neil King and his crew are looking for volunteers to help. Apply at the front desk at the Club if you can spare some time. Tickets are on sale now at the Town Ticket Center and are going fast. Buy now if you want good seats!

Our Mixed Bonspiel was held on Jan 22 - 24 with 40 rinks. Ron Phillips and Mary Lund co-chaired and did a wonderful job. My thanks go out to Ron & Mary from all the curlers. Everyone I talked to had a fun time and Food & Beverage had sales like the old days.

Our premier event, the Kelly Cup, is being held on March 25th to 28th with an expectation of 80 rinks. Registrations are now being taken at the front desk.

**John Thompson**  
Curling Co-ordinator

## From the Golf Course Superintendent

As most everyone is aware, Stephen Kerbrat has left the PGG&CC to pursue other endeavors. We wish Steve well and thank him for his years of service.

To fill the vacancy left by Steve's departure, the PGG&CC is in the process of hiring an Assistant Golf Course Superintendent. This will be a seasonal position with the assistant working along side Glen Carlson and myself. The three of us will make up the supervisory team on the golf course.

A special thank you to Glen who has taken on extra responsibilities to make sure the golf department is ready for the upcoming season.

Looking forward to seeing you in the spring.

**Murray Kutyn**  
Golf Course Superintendent

## From the Ice Technician

The month of February was an exciting time for the City of Prince George and the PGG&CC with the Safeway Select Mens' Curling Championship held from Feb 11-14 at the Multiplex.

It was truly a great experience to be part of a team that put on such a successful event. I would like to congratulate all the committee heads and volunteers who worked so hard on behalf of our club.

I would personally like to congratulate and thank my staff for their dedication, enthusiasm and extra effort which helped to make my job not only easier but enjoyable. John Wercholuk, Raymond Wercholuk, Rob McMullen, Scott Nahrgang, Ron Kilden & Cory Kilden, all of whom did a fantastic job.

I would also like to thank those who volunteered to help with the ice and facility set up. They are Wes Petkau, Bill Fillion & Ken Pineo. Their efforts were greatly appreciated.

Many thanks to my fellow ice technicians; Al Swanson, Al Sutherland, Bruce Renwick, Wayne Lee & Glen Schultz who travelled from various locations throughout the province to be here to help with the ice installation and at the same time acquire their Level II Ice Technician Certification.

Last bit not least, my sincere thanks to Ray Beaugards, Ken Martin and all of the Multiplex staff who bent over backwards to give us the assistance required for this successful event.

## Kelly Cup Report

The 1999 Molson's Kelly Cup Men's Curling Bonspiel will be held Thursday, March 25th to Sunday, March 28th. The entry fee is \$250.00 per rink with the entry deadline being Monday, March 22, not the 24th as the posters state.

The largest turnout of teams for several years are expected including rinks from Quesnel, Williams Lake, Vanderhoof, Fraser Lake, Burns Lake, Smithers, Fort St. James, Mackenzie and Fort St. John.

We are planning to give away \$15,000.00 in prizes including a trip for 2 people to Las Vegas hopefully thanks to Canadian Regional Airlines. We are raffling another 6 man Beachcomber Spa with only 600 tickets printed thanks to Tropical Pool & Spa. Tickets are available from most curlers as well as the front desk. We have 2 limousines available for the weekend for use by all teams. You can really help us out by entering now rather than waiting until the deadline.

There are several fellows needing to get on a team so if you need a curler for your team, call Doug Berry @ 960-0366 and I'll get you in touch with them.

If you have any request or questions, call me. I look forward to seeing you all at this year's Kelly Cup. It will be action packed and a lot of fun.

## Food & Beverage Department

Congratulations to the Safeway Select Committee, Murray Kutyn and all his Ice Technicians on all their success with hosting the select. The ice was nothing less than perfect. Murray and his team proved themselves to be world class ice makers and that's something we should all take pride in. Way to go everyone!

March is here bringing the curling season to a close and the golf season even closer. But, let's not jump the gun, there is still plenty of curling to be done! Besides all the league playdowns, we still have the Kelly Cup to look forward to and from what I can tell so far, it will definitely live up to its legendary reputation of fun and frolic. And, the party doesn't end there, we still have the season closing Wine & Cheese party to look forward to on April 1st.

Wednesday, March 17 is St. Patrick's Day and to celebrate we will feature a \$7.95 all you can eat Irish Buffet for lunch and dinner. Green ale and all the celtic music we can get our hands on.

Thank you to those of you who came out for our Valentine's Day brunch. It was a huge success and your support is greatly appreciated. I would also like to thank our chef Susan for putting out such a wonderful buffet - the compliments are still rolling in.

We will be featuring a repeat performance of our Easter Champagne Brunch on Sunday April 4 with seatings at 10:30 am and 12:30 pm (don't forget to set your clocks for daylight savings). Prices for the brunch will be \$11.95 for adults, \$5.95 for kids 6-11 years old; kids 5 and under are free. There will be a special appearance by a certain little furry creature bearing all kinds of goodies. For reservations, please call the Club.

Finally, the moment many of you have been patiently waiting for draws ever closer. Yes, that's right, the golf season! The season opening Wine & Cheese will be held on April 9. Hopefully we will have a great season out on the course. Good luck to all of you and enjoy!

## Curling Department

Following the Safeway Select Championship in February the rocks we had on loan from Thomson Curling in Manitoba were shipped to Victoria to a curling club who purchased them.

It was sad to see them go as we had many favorable comments on them from both our club curlers and those participants who curled in the Safeway Select.

At this time, the club is exploring the possibility of having the Ailset inserts put on our rocks. As the cost is fairly substantial, we are looking at ways to finance this expenditure. To start with, the Senior Ladies Curling Championship host committee donated \$500.00 of their profits towards a fund to help finance the costs.

We are also looking at other ways to finance, some of which are: adopt a rock program, where you could purchase a rock or two in your or someone else's name, with the name permanently engraved on the handle.

Other ideas are sponsorship from our corporate friends, a portion of curling dues to be allocated towards this expenditure, and other committees following the Senior Ladies donation.

Anyone with any other ideas or suggestions or anyone who would like to help out with this project please contact myself, John Thompson, in the curling office, or Tammy at the front desk.

As soon as we know the total cost involved, we will provide the information to you. Please give this some consideration and we look forward to hearing from you.
